

July Newsletter 2020

Dates for your Diary

- Thu 3rd Sept—Start of Autumn Term.
- 26th—30th October Half-Term
- 10th Dec—End of Term

Another year has gone and here we are once again getting ready to say goodbye to the children leaving us.

At the end of this term and with sadness, we are saying 'goodbye' and 'good luck at big school' to Aiden, Basil, Blaize, Cleo, Cruz, Finley, George, Jensen, Jorgie, Maxim, Riley, Shannon, Suriana and Toby. We are also saying goodbye to Eddie who is moving to a new setting. We wish all of the children and their families' best wishes and thank you for your support over the past year. We will also say goodbye to Zara who joined us from another setting for the last 5 weeks of term.

Goodbye to Mrs Holmes

It is with great sadness that I announce that Laura Holmes has left us to move on to pastures new. She has been with us for 5 years and all of the staff team wish her great success in her new adventure.

If Mrs. Holmes was your child's keyperson, we will be looking at reallocating over the summer holidays and inform you in September.

I am sure you will all join with me in wishing Laura good luck.

September

At this time, I am planning on opening as usual in September and you have all given me the days you would like your child to do. If anything changes before reopening, I will email you and keep you all up to date.

I have been notified by Holbrook School of their potential staggered start and finish times, so I will be keeping the gates closed as their times coincide with our opening and closing times.

I will also carry on not allowing parents in to the setting, just like we are doing now. Parents of new children who are starting will be allowed in for the first session.

Just to bring to your attention. We return to Playschool on **Thursday 3rd September**.

If you have any questions or queries over the summer holiday, please do contact me. You may not get an immediate response, but I will reply within 2 days.

Have a good Summer. See some of you in September.

Liz Pratt
